junction with a similar committee from the Commercial club.

The attention of the club was also called by John D. W. Veeder to the editorial in the Las Vegas Optic, entitled "Public Improvements," in its issue of March 29th last, and he thereupon offered the following resolution, which was unanimously passed:

"Resolved, That the Las Vegas club fully agrees with the stand taken by the Las Vegas Optic in its editorial, entitled 'Public Improvements,' in its issue of March 29, 1909, and desires to commend it for its frankness and truthfulness. It is further

"Resolved, That a committee of three be appointed by the president of this club for the purpose of conferring with a like committee of the Commercial club for the purpose of discussing in a business like way and deciding upon a single sewer system for both towns, with a view of inaugurating this public improvement as early as possible. It is further

"Resolved, That it is the sense of this organization that a sewer system is now a public necessity, if the two communities of Las Vegas are to escape an epidemic of disease in the near future."

Upon motion the chair appointed as a committee on sewers to confer with a like committee from the Commercial club, the following gentlemen: John D. W. Veeder, Charles Ilfeld, and Jefferson Reynolds.

The following committee, consisting of Charles Ilfeld, John D. W. Veeder, David Winternitz, Isaac Appel and Jake Stern were appointed to raise sufficient funds for the purchasing of the property of Mr. Rogers in the matter of building the bridge between the two towns.

After the business meeting, lunch, beer and cigars were served.

It was the consensus of opinion of all parties at this meeting that this was one of the best if not the best and most enthusiastic business meeting ever held in the town of Las Vegas.

HALL MUSICAL COMEDY CO. GIVES FINE SHOW

The entertainment given by Hall's Musical Comedy company which appeared at the Duncan opera house last evening was not as well attended as it might have been, but those who did attend were well entertained and all the numbers were well received and heartily applauded.

Master Wilbur Hall is a musical wonder for one so young and everything he picked up last night was musical even to the hat rack he took from the wall. His dancing was especially good and he would do credit to companies who carry people with reputations but who are not his equal in many instances.

The musical team work and dancing introduced by Master Wilbur and Miss Velma was of a very high standard and many new and clever musical and dancing stunts were introduced which not only entertained, but greatly amused.

Miss Myrtle, who played several solos on the cornet, is without doubt the best lady cornetist that has ever been seen in this city. She handles the cornet with exceptional ease and her tones were clear and sharp. She also sang catchy songs which were rendered with a very pleasing manner and were well received.

The band and orchestra is composed of five pieces and is worthy of special mention as both band concerts on the street and the overtures in the opera house were heartily applauded and many encores were necessary to please all who heard them.

This evening these young musical wonders will introduce many double instrument numbers which is something new here and is sure to please. The performance last evening concluded with a very comical little sketch which kept the audience in a roar of laughter during the entire act.

Band concert this evening in front of the opera house at 7:30 sharp by the Musical Hall.
